

ACQUISITION CRITERIA

Combined Properties, Inc. ("CPI"), founded in 1984, is a \$1+ billion real estate operating company that specializes in the investment, development, and ownership of retail, residential, and mixed-use properties. CPI owns 43 institutional-grade properties comprising ~5 million SF and has \$1 billion of mixed-use development in the pipeline. With offices in Beverly Hills, CA and Washington, D.C., and in-house management, leasing, and acquisitions / development professionals, CPI can pursue the simplest or most complex real estate projects. Moreover, as private owners with entrepreneurial spirit, CPI is able to pursue acquisitions quickly and nimbly, without bureaucratic obstacles.
